

HOBARTVILLE P E N I N G S

Week 10 Term 3 2014

From The Principal

This is our final newsletter for the term and it has been a productive term. We have had many events and experiences including our Open Day and Expo, sporting events including our Athletics carnival, district carnival and sporting gala days/knock out days for netball, touch football and basketball. Our A-thon was a great day with all students enjoying a variety of sporting activities and games. We have been well represented in Performing Arts with our dance groups and choir involved in Nepean/Blue Mountains Dance Festival and Hawkesbury Eisteddfod. Students also represented our school in chess and many other extra curricular activities. We celebrated book week, NAIDOC week as well as Literacy and Numeracy week. Our school grounds are looking fantastic thanks to the hard work led by Mr Coulter. It has been great to see so many students and classes out helping make our school beautiful. It has been wonderful to see so many students receive awards at assembly for their class work and general positive attitude as well as students receiving their blue ribbons and badges. It has been lovely getting the opportunity to visit some rooms and see our students focussed on their learning. Our hard working P&C have also been very productive supporting our school with a fundraising BBQ, a movie night and Father's day stall.

Church donation

The Bridgewater Church group from North Richmond have used our community hall for a number of years on a Friday afternoon. They are no longer using our hall and have given us a generous donation to use for our school. We would like to thank them for this.

Damage to school property

Unfortunately we have had a few incidents of damage to school property during school hours. This is not covered by insurance and the school must cover the cost out of our own funds. This damage is done by only a minority of students, however it impacts on all students. Please talk to your children about respecting and looking after school property including the importance of letting someone know if they see a student doing damage. If you see anything suspicious on school grounds during the school holiday period could you please call school security on 1300 880 021 or the police.

Year Six Gala Day

Today year 6 students ran their annual gala day. Students worked very hard to prepare for this event which raises money for the Year 6 gift to the school. Congratulations to year 6 and their teachers for their organisation of the day. Students had an enjoyable day and all students are to be commended for their behaviour on the day.

Happy Holidays

On behalf of the staff at Hobartville Public School we would like to wish you all a happy and safe holiday with your children. School resumes on Tuesday 7th October. We look forward to seeing all students back for term 4 ready to work and be the best they can. We will be starting the term with our CSIRO visit in week 1.

Writers Camp By Charlotte C

My friend and I got accepted to go to writers camp. When I found out, I was so excited that I started packing already. Once Wednesday came, we had reached writers camp, which was called Brewongle Environmental Education Centre. On this trip we got to discover lots of writing facts and lots of writing activities that were very helpful.

We went for three days and stayed over night in cabins. We had seven meals a day and had lots of fun. On the second day we got to spend time with four authors, Simon French, Susanne Gervay, Deborah Abela and James Roy. The authors gave us facts about writing and talked to us about their books and their experiences.

The writing work shops with the Authors were not the only thing we got to do though, we also got to watch a reptile show and got to see lots of beautiful animals such as lizards, crocodiles and more. On the last day we had an Aboriginal lady come in and talk to us about lots of stuff. I enjoyed this experience and am very grateful that I got this chance to go.

Writers Camp by Kate O

On Tuesday night I stayed up all night trying to fit everything in my suitcase. I had a laptop bag, backpack, sleeping bag and a big suitcase.

On Wednesday morning I got up, had breakfast, showered then left to pick up Charlotte. When I got to her house and saw all her bags I felt better about my own. We drove to Brewongle Environmental Education Centre also known as BEEC. I was excited to see all the different students from different schools around NSW. When we first got there we got our name badge and then went into the old classroom.

In the old classroom Colin and Danielle discussed how the camp would work. Then we split up into two groups and played a game to get to know each other. We beat the record of 2 seconds as we got 1 second.

We then went for a lesson with Simon French and Colin. Later we ate dinner and had night activities. We did fact and fairy tales, then went to bed. The next day we had workshops with James Roy, Deborah Abela and Susanne Gervay. I enjoyed them a lot. On the last day we had a workshop with Simon on editing. Then it sadly was time to go home. Thankyou Mrs Serov for sending Charlotte and I.
