Week 2 Term 2 2015

ANZAC Day

Thank you to everyone who attended the wonderful ANZAC Service last Friday commemorating 100 years. The school leaders ran a beautiful assembly with special guests and a bugle player for the last post. Josh and Amelia also represented the school at the Dawn Service in Windsor and the Richmond Club Service on ANZAC Day.

Busy Term

This term is extremely busy. We will be having Life Education, an Alpha Show performance 'Hercules' which links with our School Values program (forgiveness), Year 6 have Interrelate, The Cross Country Carnival, Stage 2 Excursion, Mothers Day Stall as well as other sporting activities and Gala days.

Speaking to other children

Just a general reminder that you are not to approach or speak to another child about an issue. If there has been an issue, please see the playground teacher or come to the front office.

Facebook

Please 'like' us on Facebook for up to date information and events occurring. We have found that this is the quickest way to get information out fast, and also for reminders.

Wet Weather

Thank you to everyone for their patience last week with the back gate being closed. The playground was completely water logged and gum boots were the footwear of choice.

If anybody sees any unusual activity in the school playground over the weekend, can you please notify us on the Monday or call school security on 1300 880 021.

Have a great term!

Lisa Crawford-Principal

MSP Photography

There will be a delay with the return of photos.

Unfortunately the premises of MSP Photography were effected by the hail storm on Saturday. They are trying to fix the issue as soon as possible.

We do not have a date for delivery at this time.

OC Class Applications

Opportunity classes cater for highly achieving academically gifted students who may otherwise be without classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for opportunity class placement are considered mainly on the basis of the Opportunity Class Placement Test results and school assessment scores. The Opportunity Class Placement Test will be held on Wednesday 22 July 2015.

If you would like to have your child considered for Year 5 opportunity class entry in 2016, you need to do so soon. You will need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from 27 April 2015 in a printed application information booklet and at www.schools.nsw.edu.au/ocplacement. The application website opens on 27 April 2015 and closes on 15 May 2015. No late applications will be accepted.

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Unit for assistance after 27 April 2015.

You must submit only ONE application for each student.

P&C News

Welcome back to Term 2!! We hope everyone enjoyed the break with their families.

Mother's Day Stall:

The Mother's Day Stall will be held on Friday 8th May with items available for purchase from 50c to \$9.50. If you would like to volunteer at the Stall please contact the P & C.

Bunnings BBQ:

The P&C will be hosting a BBQ at Bunnings McGraths Hill on Sunday 24th May. This is a wonderful opportunity for us to fundraise for the School and we would greatly appreciate any donated items of serviettes, sauce and drinks to increase our profits for the day. If you are able to donate please leave any items with the Office.

Also, if you can volunteer some of your time to help, even if it's just an hour, as always we would be most grateful. The BBQ runs from 8am-4pm and if you are available for any time please contact the P&C asap.

Clothing Pool:

Just a reminder the clothing pool is open the 1st and 3rd Tuesday of the Month from 8:45am-9:15am.

The next P&C Meeting will be held in the school staffroom on Wednesday 20th May at 6:30pm, all welcome

Breakfast Donations Welcome –

As our breakfast club is provided with no charge to students, we rely on donations to keep this opportunity available. With Baker's Delight (Richmond Marketplace) donating fresh bread daily, and an ample amount of cereal provided by Kellogg's, we are now looking for donations of the following items:

Jam Vegemite Honey Butter Milk

If you'd like to donate any of the above items, please bring your donations in to the office, where the admin staff will ensure the donations are set aside for breakfast use. For milk or butter donations – the easiest way to do this is through a Woolworths gift card.

Thank you for your generosity and support. For further questions please email me - justin.corbett1@det.nsw.edu.au

Outdoor play for different ages

Babies: baby will learn about different surroundings, and can make them feel more comfortable with the world around them. * tummy time on a blanket or towel *crawling on grass, under furniture or through old boxes *watching trees move, listening to birds *looking at different coloured cars, street signs or traffic light signals.

Toddlers: are keen to explore the world around them and test out their growing physical skills. Outdoor play for your toddler might include: *throwing and chasing balls *wheeling, pushing or pulling different toys and objects over increasing distances and across different surfaces *walking, running or jumping into puddles, around trees, over stones or cracks in the footpath, or towards favourite objects * playing in sand, mud or small amounts of water (but always supervise water play to prevent drowning accidents).

Pre-schoolers: are learning to play with other children. They're also big on make-believe. You can make the most of this stage with outside play ideas such as: *games of chasey, hide-and-seek or kick-to-kick *crawling through tunnels or climbing over fallen trees *moving in different ways with colourful leaves, flowers, scarves or streamers *building a castle out of boxes, clothes baskets or outdoor play equipment or furniture.

Your school-age child is becoming more involved in structured play, like sport, but it's still important to make time for free play outside. At this age, children still enjoy: *building and creating with equipment, furniture or other things they find outside *chasing each other

HAROLD MERCHANDISE

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on fundraising within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the **correct money** in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.
