Week 10 Term 2

Reports

Half yearly reports will go home tomorrow. I have enjoyed reading every single report and learning more about each child in terms of their learning and also interests, and learning styles.

Entry to School Grounds

Just a reminder to all parents and visitors to our school site that it is a privilege and not a right for you to come onto the school grounds. If your behaviour is deemed inappropriate, you will be asked to leave the grounds and access may be denied. We want to provide the safest and child friendly environment as possible for everyone.

Education / Book Week

We will be joining Education Week and Book Week again this year. The day that most of our celebrations will occur is in Week 4, Tuesday 4th August. It will incorporate a book parade, open classrooms and a grandparent morning tea. We are also having a Book Fair. Invitations will be out early next term. There will be performances for some of our groups at Richmond Marketplace in Week 3.

Rotary Public Speaking Finals

Congratulations to Hayley for an amazing speech at the Rotary Finals at Richmond Golf Club on Monday night. You made both your school and family very proud. Well done!

Cookie Dough and Entertainment Book

Don't forget to get your orders in for The Cookie Dough by this Friday. It's a great way to not only be able to bake cookies quickly, but you are also supporting the fundraising efforts of the P&C. You can also still order your entertainment book and save lots of money in time for the school holidays. You can see a sample of the book at the front office.

CWA

The Country Women's Association has again donated \$100 to the Library for new books that relate to Italy, which was the focus for this years Country project. Well done to all the Stage 2 and 3 children who completed a project.

Thoughts are with Damien

Out thoughts and best wishes go to Damien in S1B and his family. Damien was diagnosed last week with a form of Leukaemia. We are hoping for a speedy recovery and look forward to seeing his happy smiling face back at Hobartville. We will be having a fundraising event next term.

Healthy Food

Next term we will be focussing on healthy food before school. No snacks or chips will be sold at the canteen to have before school. We will also be discouraging parents from sending them to school as snacks for breakfast .

Long Service Leave

A number of staff have or will be taking long service leave over the remainder of the year. The class program will be followed by the relief teacher.

Kindergarten 2016

We are taking enrolments for Kindergarten 2016 at the front office. Please see the office ladies for further information.

We hope all the children and families have a lovely 2 week break. School resumes on **Tuesday 14th July**.

Lisa Crawford

» Dates To Remember «

Hawkesbury District Health Service, Indigenous Coordination Centre,
Hawkesbury City Council & Community Members.

NAIDOC Day at Hobartville Public School

On the 17th of July we will be celebrating NAIDOC Day at Hobartville. The day will include a range of activities for all students to gain a better understanding of the Aboriginal culture and it's values. We are also holding a book swap which will require students to bring in a pre loved book in good condition and a gold coin to help raise funds for the Indigenous Literacy Foundation.

In the lifetime of the project, with the support of many people they have sent more than 120,000 new, high quality books to over 230 remote communities. The ILF also runs an early literacy project called **Book Buzz**, which puts board books into the hands of babies, toddlers and their families. The Foundation has published and funded more than 40 community books, some of which are translated into first language.

Please help us support their work!

GET KIDS COOKING @home

JOIN OUR KIDS COOKING CLUB
Start collecting today!

Fun for the whole family

Get Kids Cooking has taught thousands of kids how to cook. Our monthly kits are suitable for boys and girls 5-13 years. No long term commitment, delivered to your door. Start collecting today!

Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

General information about the national data collection can be found on the Australian Government Department of Education and Training website at <http://education.gov.au/fact-sheets-nationally-consistent-collection-data-school-students-disability>.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the *Privacy and Personal Information Protection Act 1998* and the *Health Records and Information Privacy Act 2002*. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Under Clause 52 of the Commonwealth *Australian Education Regulation 2013*, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth *Privacy Act 1988* when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department's website at <http://education.gov.au/notices>

If you have any questions about the data collection please do not hesitate to contact

Mrs Gaye Taylor or Mrs Leanne Hegarty

Come and help us celebrate 100 Years of Women in Policing Baton Relay

Women in the NSW Police Force are marking 100 years of service this year, with celebrations for the milestone happening across NSW.

To help mark this special occasion, a custom-made NSW Police baton is making its way around the state over the next six months.

Representatives from NSW Police Force will run a 2-3km relay around Windsor CBD from 10am and will finish in Governor Phillip Park.

Please come to the park between 10am and midday to help us celebrate.

Where:

Governor Phillip Park, George St, Windsor

When:

Saturday the 4th of July 2015

10am-Midday
