Week 2 Term 1 2016

Welcome back to 2016!

I'm sure it will be another really busy, yet rewarding year for your child. I would like to welcome all our new families and students to our school. I'm sure you will be made to feel very welcome.

You will have received a number of new notes already with a few more to come outlining some up and coming events and also our first semester plan in terms of programs and events that will be occurring.

These events are all aimed at improving educational opportunities for all students in our school. The P&C and the school will be greatly subsidising these events to allow for all our students.

The "all in one" permission note will be out again. This is a simple note that requires signing at the beginning of each year and covers all the listed activities across 2016.

After the success of the Meet the Teacher Disco in 2015, we will be holding the event again. There will also be a free Sausage sandwich for all family members. Please return the RSVP slip to the P&C box in the office so enough sausages can be ordered.

The swimming carnival is coming up next week Wednesday 10th February, and all notes and medical forms need to be returned this Friday. It is a great day for everyone.

Medical Information. Please update any medical information and provide any Asthma or Health Care Plans to the front office ASAP.

We have lost many families over the past 12 months and our numbers have dropped dramatically. The school allocation for our mainstream classes has reduced from 16 to 14 classes. However, to maintain a greater teacher to student ratio, and smaller class sizes, the school is funding an additional class. We do have two across stage classes due to class size restrictions. Please be assured that whatever class your child is in, their individual needs will be catered for through appropriate programs.

I would also like to introduce Miss Sullivan who will be teaching S3A and Mr Chamberlain who will be teaching S2C. We hope you enjoy your time at Hobartville. Justin Corbett, our School Chaplain, will also be a Learning Support Officer in our school. The Breakfast Program will run 3 days each week on Tuesdays, Thursdays and Fridays. This is a free, healthy breakfast for your child.

Success with
Honour

Lisa Crawford-Principal

Please remember to see your child's teacher first if you have a concern and then the Assistant Principal for the Stage. They are best able to work through the situation. Please see staff list below.

I would also like to thank Damien, an ex-student of Hobartville who helped cut up 2 large tree branches that fell during the holidays in the carpark.

Please check the school website, Facebook and P&C Facebook sites for up to date information. Please be reminded it is not a place for comment. Its purpose is a message board for its followers.

Looking forward to another busy and fun filled year – Lisa Crawford
