Week 10 Term 1 2016

Parents in the playground

Due to a number of safety concerns, as part of our school community we are asking for your help. The front gate of the school will be closed, with an easy opening latch for parents and visitors to enter the grounds if needed. All gates will be opened at 2.45pm. We would appreciate parents not coming into the school grounds too early in the afternoons, unless necessary e.g for an assembly. Visitors sitting in all areas of the playground can be scary to some of our students and we don't have the staff to monitor these areas. When parents do come into the school at 2.45pm or later, we ask that you either wait in front of the canteen or on the picnic seats next to the assembly hall until the bell rings. You may then move to your child's room or meeting point. This is definitely about the safety of all our students and we are wanting to promote Safety and Respectful Relationships within the whole school community.

Road Safety— NSW Department of Education

Important notice about bus safety

Unfortunately this year there has been two separate occasions where students have been injured by a car after alighting from their bus on the way home.

Both students walked in front of the bus and into the path of an oncoming vehicle.

Thankfully neither student was seriously injured, however the situation could have been much worse.

The road safety message for all students is:

Wait until the bus has gone and then use a safe place to cross the road.

In light of these recent incidents, schools are asked to remind and reinforce safe road user behaviours in and around buses with their students.

The following quality teaching and learning activities can support teachers and students:

- **Early Stage 1 -Stage 2 primary students:**

The key message for this age group is to:

Always hold an adult's hand and Use a safe place to cross.

Information to educate parents and carers is available from the Centre for Road Safety's "[Keeping our kids safe around schools](#)" newsletter inserts.

- **Stage 3 primary students:**
