Week 6 Term 1 2016

Meet The Teacher

Thank you to all the families that came to the Meet the Teacher information sessions. It was a great turn out. The P&C Disco was well supported and all the students danced their little hearts out. It was a great team effort by the P&C. Thank you again for supporting our community.

Drop off and Pick up

In a newsletter last year, I asked for your help in dropping students off and not staying in the playground. This request was to help with our supervision and to ensure all parents in the playground were meant to be there. Some of our students also find that parents blocking pathways in the afternoon can be a little daunting and it makes some students nervous walking past groups of other parents they don't know. I understand it has been extremely hot and we have little shade for parents to wait in. Any suggestions for creating an area at the front of the school for parents to meet their children would be greatly appreciated. It is a discussion I will be having at the next P&C meeting.

District Swimming

It was a great day last Friday for the District Swimming Carnival. All swimmers enjoyed their races and many students made significant personal best times. Congratulations to Georgia coming 3rd in the Junior Girls 50m Butterfly.

Panthers Visit

Thanks to the Panthers for coming out last week to talk about 'Wellbeing' with our 3-6 students. It was great to hear first hand the benefits of a healthy lifestyle and making good choices and habits. Go the Panthers! Best of luck for the 2016 season.

Chess

On Friday the 26th February five students from Hobartville PS

attended the Interschool Chess Challenge at Penrith High School. Hobartville students secured 1st, 2nd, 4th, 5th and 6th place at the tournament and will compete in the State finals later this year. Ryan Lane won all his games and Jasmine won all bar the game she played against her brother. Well done Ryan, Jasmine, Josh, Zac and Baylee on your wonderful achievement.

Settled Start

I want to thank everyone for the very settled start to the school year. Students are working hard in their rooms and making sensible choices in the playground. Lets keep it this way for the rest of the year.
