Week 4 Term 2 2016

NAPLAN

Well done to all our Year 3 and Year 5 students who sat for the NAPLAN tests last week. It can be a very stressful situation for some children and you all handled it really well. Great work!

SICKNESS

Attached to the newsletter is a reminder about sickness and times to keep children home if they are sick. Please do not send your child to school if they are sick. We have a number of students and staff with low immune systems and we want to avoid the spread of infections within the school.

DISTRICT CROSS COUNTRY

Good luck to our Cross Country Team this Friday who will be running their little hearts out at Cattai National Park. Thank you to Mr Coulter for organising and training the team and Mrs Holroyd for also supervising on the day.

ONLINE PAYMENTS

It is now possible for parents to make online payments to the school for amounts owing for students via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the school's website by selecting \$Make a payment.

Items that can be paid include voluntary school contributions, excursions, camps, dance groups, and any other excursion/incursion activities.

Please do not make any P & C payments using the online payment system.

More information is on the next page

Thank you to all the parents and carers who are waiting until after 2.45pm to enter our grounds and waiting away from classrooms. New signage will be coming as a reminder.

Honour

White
Ribbon
SCHOOL

Lisa Crawford-Principal

ONLINE PAYMENTS

When you access the **\$Make a Payment** you must enter:

☐ The student's name

☐ Date of Birth

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice Number, however, please ignore this option.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner. These details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account.

To ensure payments are received by the due date, please ensure your online payment is processed at least two days before the closing date. The school is not advised by Westpac until the second business day i.e. payment made at 7pm on Monday evening will be on the report the school receives on Wednesday morning.

Please ensure that payment/permission notes are received by the closing date. No late payments/permission notes will be accepted.

Of course, if you are having any difficulties with this arrangement, please advise the school before the closing date.

Any enquires regarding online payments, please contact the School Office.

An example of what will be on the back of our notes is below.

Student Details

*Student Registration Number	<input type="text" value="Not required"/>
*Given Name	<input type="text"/>
*Surname	<input type="text"/>
*Class or Year	<input type="text"/>
*Ref. or Invoice Number	<input type="text" value="Not required"/>
*Date of Birth (dd/mm/yyyy)	<input type="text"/>

Payer Details

*Full Name	<input type="text"/>
*Contact Phone Number e.g. 0249512345 or (02)49512345	<input type="text"/>
*Contact Email Address	<input type="text"/>

Payment Options

Please select which items you would like to make a payment or donation for:

Voluntary School Contributions
Subject Contributions
Excursions
Sport
Creative and Practical Arts
Sales to Students
Other

*Payment Description 1	<input type="text"/>
*Payment Amount 1	\$ <input type="text" value="0.00"/>

Add Payment

Total Payment Amount: \$

Click next to proceed to the payment page where you can enter credit card details for your payment.

Online Payment Instructions:

1. Go to <http://www.hobartvill-p.schools.nsw.edu.au>
2. Click on "Make a payment"
3. Complete all sections marked with a green asterisk
4. Please also include your child's class
5. You **DO NOT** need a Student Registration Number or an invoice number to make a payment.
6. In Payment options choose e.g. "Excursion"
7. In payment description please enter the word e.g. "Camp"
8. Click on Next to enter payment details
9. Please return the tear-off slip to the school so that we can cross check payments

Each fortnight we focus on a value that enables the students to be the best that they can be in social situations and as a learner.

These awards are given at the end of each fortnight to the students within our classes who have demonstrated that they:

FLY: which stands for:

F Follow the rules

L Lead by example

Y You are responsible for your own actions

Or they have demonstrated what it means to be a good citizen.

Need a job Close to home?

About us

Broadspectrum has a long-term relationship with the Department of Education and Public Works. We provide facilities management and cleaning services to Public Schools, TAFE Colleges and Government Buildings in the Hunter, Central Coast, Western and Northern Sydney regions.

The role

Our cleaners are responsible for maintaining a high level of cleanliness throughout our schools and other government facilities, ensuring that our sites are presented in a professional manner.

Shifts available

We have both early morning and afternoon shifts available, Monday to Friday.

To be successful

You will be physically fit, passionate about cleaning with the ability to learn new tasks, have good communication skills, ability to work alone or as part of a team, knowledge of WHS or a willingness to learn and an eagerness to provide a great service to our client.

The recruitment process will require you to undertake a Pre-Employment Medical that includes a drug and alcohol test, Criminal History Check and a Working with Children Check.

Semester 1 Events

Thank you to almost everyone for paying the \$35 Semester 1 events.

The students are loving Sport in Schools and Kindy and Year 6 have had a great time at Brewongle so far.

Mother's Day

Thank you to the P&C for running the Mother's Day stall and we hope all the mums had a lovely day.

Too sick for school?

Generally if your child feels unwell, keep them home from school and consult your doctor. This chart and the information it contains is not intended to take the place of a consultation with your doctor.

Bronchitis	Symptoms are coughing, a runny nose, sore throat and mild fever. The cough is often dry at first, becoming moist after a couple of days. There may be a slight wheeze and shortness of breath. A higher fever (typically above 39°C) may indicate pneumonia.	 ... until they are feeling better. Antibiotics may be needed.
Chickenpox (Varicella)	Slight fever, runny nose, and a rash that begins as raised pink spots that blister and scab.	 ... for 5 days from the onset of the rash and the blisters have dried.
Conjunctivitis	The eye feels 'scratchy', is red and may water. Lids may stick together on waking.	 ... while there is discharge from the eye unless a doctor has diagnosed a non-infectious cause.
Diarrhoea (no organism identified)	Two or more consecutive bowel motions that are looser and more frequent than normal and possibly stomach cramps.	 ... for at least 24 hours after diarrhoea stops.
Fever	A temperature of 38.5°C or more in older infants and children.	 ... until temperature is normal.
Gastroenteritis	A combination of frequent loose or watery stools (diarrhoea), vomiting, fever, stomach cramps, headaches.	 ... for at least 24 hours after diarrhoea and/or vomiting stops.
German measles (Rubella)	Often mild or no symptoms: mild fever, runny nose, swollen nodes, pink blotchy rash that lasts a short time.	 ... for at least 4 days after the rash appears.
Glandular Fever (Mononucleosis, EBV infection)	Symptoms include fever, headache, sore throat, tiredness, swollen nodes.	 ... unless they're feeling unwell.
Hand, Foot and Mouth Disease (HFMD)	Generally a mild illness caused by a virus, perhaps with a fever, blisters around the mouth, on the hands and feet, and perhaps the nappy area in babies.	 ... until all blisters have dried.
Hayfever (Allergic rhinitis) caused by allergy to pollen (from grasses, flowers and trees), dust mites, animal fur or hair, mould spores, cigarette smoke	Sneezing, a blocked or runny nose (rhinitis), itchy eyes, nose and throat, headaches.	 ... unless they feel unwell or are taking a medication which makes them sleepy.
Head lice or nits* (Pediculosis)	Itchy scalp, white specks stuck near the base of the hairs; lice may be found on the scalp.	 ... while continuing to treat head lice each night. Tell the school.

Hepatitis A	Often none in young children; sudden onset of fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine, pale stools.	 ... for 2 weeks after first symptoms (or 1 week after onset of jaundice). Contact your doctor before returning to school.
Hepatitis B	Often no symptoms in young children. When they do occur, they can include fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine.	<div>  ... if they have symptoms. Contact your doctor before returning to school. </div> <div>  ... if they have a chronic infection (not the first outbreak) and no symptoms. </div>
Impetigo [School sores]	Small red spots change into blisters that fill up with pus and become crusted; usually on the face, hands or scalp.	 ... until antibiotic treatment starts. Sores should be covered with watertight dressings.
Influenza	Sudden onset fever, runny nose, sore throat, cough, muscle aches and headaches.	 ... until well.
Measles	Fever, tiredness, runny nose, cough and sore red eyes for a few days followed by a red blotchy rash that starts on the face and spreads down the body and lasts 4 to 7 days.	 ... for at least 4 days after the rash appears.
Meningococcal Disease	Sudden onset of fever and a combination of headache, neck, stiffness, nausea, vomiting, drowsiness or rash.	Seek medical attention immediately. Patient will need hospital treatment. Close contacts receive antibiotics.
Molluscum Contagiosum	Multiple small lumps (2–5mm) on the skin that are smooth, firm and round, with dimples in the middle. In children, occur mostly on the face, trunk, upper arms and legs. Symptoms can last 6 months to 2 years.	
Mumps	Fever, swollen and tender glands around the jaw.	 ... for 9 days after onset of swelling.
Ringworm* [tinea corporis]	Small scaly patch on the skin surrounded by a pink ring.	 ... for 24 hours after fungal treatment has begun.
Runny nose or common cold		 ... unless there are other symptoms such as fever, sore throat, cough, rash or headache. Check with school.
Scabies*	Itchy skin, worse at night. Worse around wrists, armpits, buttocks, groin and between fingers and toes.	 ... until 24 hours after treatment has begun.
Shigella	Diarrhoea (which may contain blood, mucus and pus), fever, stomach cramps, nausea and vomiting.	 ... until there has not been a loose bowel motion for 24 hours. Antibiotics may be needed.
Slapped Cheek Syndrome [Parvovirus B19 infection, fifth disease, erythema infectiosum]	Mild fever, red cheeks, itchy lace-like rash, and possibly cough, sore throat or runny nose.	 ... as it is most infectious before the rash appears.
Whooping Cough [Pertussis]	Starts with a running nose, followed by persistent cough that comes in bouts. Bouts may be followed by vomiting and a whooping sound as the child gasps for air.	 ... until the first 5 days of an antibiotic course has been completed. Unimmunised siblings may need to stay home too until treated with an antibiotic.
Worms [Threadworms, pinworms]	The main sign of threadworms is an itchy bottom. Sometimes children feel 'out of sorts' and do not want to eat much. They may also have trouble sleeping, due to itching at night.	 ... and tell the school as other parents will need to know to check their kids.

***It is important that the rest of the family is checked for head lice, scabies and ringworm**

Nutrition Snippet

The simplest way

...to keep kids' thirst at bay.

A day at school is thirsty work!

So be sure to pack a drink in the lunch box.

Water, or milk, is the best drink for kids, not fruit juice.

Top tip: Freeze a drink bottle of water, or a milk popper, to help keep the lunch box cold and food fresh.

For more information visit www.eatittobeatit.com.au or join us at facebook.com/eatittobeatit

The Eat It To Beat It program is supported by the Nepean Blue Mountains Local Health District Live Life Well @ School Program.
