Week 1 Term 1 2017

Welcome back to the 2017 school year. It is, I'm sure going to be as busy and fast paced as 2016. We have planned many amazing learning opportunities again for the students this year and lots of extra-curricular activities to support the daily learning in the classroom. A special welcome to all our new families.

You will soon receive some yearly notes which are important to have returned to the school as soon as possible. Please also be reminded that we have due dates on notes and we must adhere to these. If you are having difficulties making payments by the due date, alternative arrangements can be made so your child won't be disappointed. These notes include our All In One Permission Note, and our Semester One events.

Our Canteen will be open every day this year and 'The Hungry Miner' has a great selection of healthy foods. We are looking forward to working closely with them to encourage healthy eating at school. Menu attached to newsletter.

The Swimming Carnival will be held on Tuesday 14th February. It is a compulsory school day and students in Years 3-6 are expected to attend. Any Year 2 student who was born in 2009 (turning 8 this year) may also attend if they are a competent swimmer.

Please remember to see your child's classroom teacher if there is an issue or you have concerns. The next step is the stage supervisor. The earlier we know if something is of concern to you, the quicker we can work together to fix it.

Just a reminder not to approach children who are not in your care. If you have a concern with something to do with another child, please approach a staff member.

Please follow us on Facebook for up to date information and weekly updates. This includes if the back gate is closed due to bad weather. **This is just a message board and comments or messages are not responded to.** We also regularly add information and newsletters to our website. We have just added a new tab 'For Parents' which has information about uniforms and requirements etc. Any suggestions to make things more user friendly are appreciated. Special dates and reminders are also displayed on our electronic sign as you enter the school via the front gate

We are looking forward to another jam packed, fun filled year of quality and creative learning experiences.
