Newsletter Term 2 Week 2 2018 Principal: Lisa Crawford

Welcome back to what I'm sure will be a very busy and fun filled term. It is during Term 2 that most of our activities that are included in the Semester 1 Events occur. Please make sure you have made full payment by Friday or have made alternate payment arrangements.

A-League Grand Final

Last Saturday night Levi was lucky to be selected for the coin toss at the A-League Grand Final, Newcastle Vs Melbourne Victory. I'm sure he had a fantastic night.

Cross Country

The Hobartville Cross Country is being held on Friday 11 May, from 11:30am-1:30pm. All students will be participating and parents are more than welcome to attend. Below are approximate times

11.30am – Kindergarten, Yr1 and Yr2 7 Year olds – 1 lap

12:00noon – 8/9 Year olds (born 2010/2009) – 4 laps

12.20pm – 10 Year olds (born 2008) – 4 laps

12.40pm – 11 Year olds (born 2007) – 6 laps

1:00pm – 12/13 Year olds (born 2006/2005) – 6 laps.

NAPLAN

Next week, students in Years 3 and 5 will be participating in the NAPLAN tests. The environment for our students will be online this year, apart from the Year 3 Writing test. Information was printed off for all parents and it is also included in this newsletter. The online testing period runs for a two week block. Please see your child's teacher if you have any concerns or questions.

OC Class Placement 2019

Information was sent out at the end of last term to students in Year 4 about the process to apply for and sit the Opportunity Class placement test. The same information is also in this newsletter. You will need to follow the instructions to apply online. Online applications close Friday 18th May.

Muru Mittigar

Permission notes will be out this week for our Muru Mittigar Aboriginal Cultural excursion. This is part of the Semester 1 Events and no payment is required if you have paid your \$60.00. Please get these back to the class teacher ASAP.

Got It!

We have the Got It! Program in our school and they will be working with us and our families over the next two terms. If you have a child in Years K-2, please return your questionnaires to the office by Friday. They will also be running a fantastic parent workshop on Emotion Coaching for interested parents on Tuesday 5th June @9am.

Mother's Day

Thanks to the P&C for the fantastic Mother's Day stall. I'm sure you will love your gifts. From all the staff, we hope you have a wonderful day on Sunday.

Lisa Crawford

Intention to apply for Year 5 entry to an opportunity class in 2019

Dear Parent/Carer

Opportunity classes cater for highly achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level. These classes help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for opportunity class placement are considered mainly on the combined results of the Opportunity Class Placement Test and school assessments. The Opportunity Class Placement Test will be held on **Wednesday 1 August 2018**.

If you would like to have your child considered for Year 5 opportunity class entry in 2019, you need to apply soon. You will need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from **Tuesday 1 May 2018** at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5>. The application website opens on **Tuesday 1 May 2018** and closes on **Friday 18 May 2018**. No late applications will be accepted.

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Unit for assistance after **1 May 2018**.

You must submit only ONE application for each student.

Remember: The tear-off strip below is not an application and the school cannot apply on your behalf.

Yours sincerely

Principal

Cut along the dotted line and return the completed slip below to this school by next Friday.

Note: THIS IS NOT AN APPLICATION FOR ENTRY TO AN OPPORTUNITY CLASS. This is a notice to your primary school only that you intend to apply.

TO APPLY YOU WILL NEED TO REGISTER AND THEN APPLY THROUGH THE HIGH PERFORMING STUDENTS APPLICATION WEBSITE.

Intention to apply for Year 5 entry to an opportunity class in 2019

Student's name: _____ Class: _____

I am interested in applying for opportunity class placement in 2019 Yes ☐ No ☐

If Yes, either:

I have internet access and will be applying online ☐

OR

I do not have internet access and will use a public library to complete the application ☐

Signature of parent/carer: _____ Date: _____

Note: THIS IS NOT AN APPLICATION FOR ENTRY TO AN OPPORTUNITY CLASS. This is a notice to your primary school only that you intend to apply.

TO APPLY YOU WILL NEED TO REGISTER AND THEN APPLY THROUGH THE HIGH PERFORMING STUDENTS APPLICATION WEBSITE.

NAPLAN Online – information for parents and carers

2018

Why do students do NAPLAN tests?

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN tests are just one aspect of a school's assessment and reporting process; they do not replace ongoing assessments made by teachers about student performance.

NAPLAN tests also provide schools, education authorities and governments with information about how education programs are working and whether young Australians are meeting important educational outcomes in literacy and numeracy.

What will be tested?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum. All government and non-government education authorities have contributed to the development of NAPLAN materials.

In 2018, for the first time, some students will sit NAPLAN online. To get an idea of what the tests look like, visit the public demonstration site at nap.edu.au/online-assessment/public-demonstration-site

NAPLAN Online will not be a test of keyboard skills. There are variations in how fast and well a student can type – just as there are variations in how fast and well a student can write by hand. Year 3 students will continue to complete the writing test on paper.

How can I help my child prepare for NAPLAN?

Help your child prepare for NAPLAN by reassuring them that the tests are just one part of their school program, and by reminding them on the day to simply try their best. Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance. Ensuring students are familiar with using devices, typing on them and navigating through programs are a part of student learning and a requirement of the Australian Curriculum from the first year at school.

ACARA does not recommend the use of services by coaching providers or excessive preparation. NAPLAN is not about passing or failing, but about assessing learning progress.

Will my child sit NAPLAN on paper or online?

Your child will sit the NAPLAN online tests in 2018.

However, children in some other schools across Australia will sit the NAPLAN paper tests this year. Federal, state and territory education ministers have agreed that NAPLAN will move online over the next two to three years. State and territory education authorities will determine when their schools move online.

NAPLAN Online uses an adaptive test design, which presents questions that better match student achievement levels and provide more precise results for teachers and schools. As students are presented with questions that test the same range of difficulty, regardless of whether they complete the test online or on paper, results for both formats will be reported on the same NAPLAN assessment scale.

To find out more about NAPLAN Online, visit nap.edu.au/online-assessment

Participation in NAPLAN

All students in Years 3, 5, 7 and 9 are expected to participate in the annual NAPLAN tests.

Students with disability may qualify for adjustments that reflect the support normally provided for classroom assessments. Where applicable, you should first discuss the use of any disability adjustments for your child with your child's teacher.

A formal exemption may be granted for a student with significant intellectual disability and/or significant coexisting conditions, or for a student who has recently arrived in Australia and has a non-English speaking background.

Your school principal and your local test administration authority can give you more information on NAPLAN Online disability adjustments or the process required to gain a formal exemption.

NAPLAN Online 2018 tests timetable

The test window for NAPLAN Online is extended from three days provided for the paper test to nine days to give schools more flexibility in scheduling and accommodate schools that may have fewer devices. The NAPLAN Online test window starts on Tuesday 15 May and finishes on Friday 25 May.

The online tests must be taken in the following order:

Test	Duration	Order	Details
Writing	Year 3: 40 min. Year 5: 40 min. Year 7: 40 min. Year 9: 40 min.	To be completed in the first two days	Year 3 students do a paper-based writing test
Reading	Year 3: 45 min. Year 5: 50 min. Year 7: 55 min. Year 9: 55 min.	To be completed before the conventions of language test	Students read a range of informative, imaginative and persuasive texts
Conventions of language	Year 3: 40 min. Year 5: 40 min. Year 7: 45 min. Year 9: 45 min.	To be completed after the reading test	This test includes spelling, grammar and punctuation
Numeracy	Year 3: 45 min. Year 5: 50 min. Year 7: 60 min. Year 9: 60 min.	To be completed after the conventions of language test	This test includes number and algebra; measurement and geometry; and statistics and probability

What if my child is absent from school on test days?

Where possible, schools may arrange for individual students who are absent at the time of testing to complete missed tests at another time during the school's test schedule. Individual students are not permitted to sit NAPLAN online tests after Friday 25 May 2018.

How is my child's performance measured?

Individual student performance is shown on a national achievement scale for each test. A result at the national minimum standard indicates that the student has demonstrated the basic literacy and numeracy skills needed to participate fully in that year level. The performance of individual students can be compared to the average performance of all students in Australia.

A NAPLAN report will be issued by your school later in the year. If you do not receive a report, you should contact your school.

How are NAPLAN test results used?

- Students and parents may use individual results to discuss progress with teachers.
- Teachers use results to help them better identify students who require greater challenges or additional support.
- Schools use results to identify strengths and weaknesses in teaching programs and to set goals in literacy and numeracy.
- School systems use results to review programs and support offered to schools.
- The community can see average school NAPLAN results at myschool.edu.au

Where can I get more information?

For more information about NAPLAN:

- contact your child's school
- contact your local test administration authority at nap.edu.au/TAA
- visit nap.edu.au

For information about how personal information for NAPLAN will be handled by ACARA, visit nap.edu.au/naplanprivacy

Keep saving for a chance to win a family trip to Hawaii.

This year, School Banking is running a Super Savers Grand Prize competition that will take one lucky School Banker and their family of two adults and up to three children to Hawaii.

The trip includes:

- Return economy flights to Honolulu, Hawaii plus airport transfers
- 7 nights accommodation at the Sheraton Waikiki Hotel & Resort staying in a Luxury Ocean Room, with beach views and breakfast included
- AU\$2,000 spending money.

How to enter

Simply make 15 or more School Banking deposits before the end of Term 3 2018 to automatically receive an entry into the competition for a chance to win.

Find out more at commbank.com.au/schoolbanking

Things you should know: The 'Super Savers Grand Prize Competition' (Promotion) is conducted by the Commonwealth Bank of Australia (ABN 48 123 123 124) of Level 30, 11 Harbour Street, Sydney NSW 2000. The Promotion starts at 9am AEST on 22/01/18 and closes at 11.59pm AEST on 28/09/18. Entry is open to Australian residents aged 4-13 years only who have made 15 separate School Banking deposits into their CommBank 'Youthsaver' account during the Promotion period. Eligible entrants will be automatically entered into the draw. Maximum 1 entry/person. The first eligible entry randomly drawn will win a trip to Honolulu, Hawaii, USA for two adults and up to three children (aged 17 years and under), including 7 nights accommodation and AU\$2,000 spending money, valued at AU\$17,666. Terms and conditions apply. The draw will take place at 12pm AEST on 10/10/18 at the address above. The winner will be notified by telephone and email, and will be published online at commbank.com.au/schoolbanking and in *The Australian* on 17/10/18. Winner must claim the prize by 5pm AEST on 15/01/19 or the prize will be redrawn. The prize will be awarded to the winner's nominated parent or guardian. Conditions apply to accepting the prize. Full terms and conditions available from commbank.com.au/schoolbanking. Authorised under NSW Permit No: LTPS/17/18318, ACT Permit No: ACT TP 17/01989 and SA Permit No: T17/1878. ADV14546 010118

Got It!

Greetings parents and carers!

Over the coming weeks you will see a series of tip sheets from the *Got It!* team on how you can help develop the necessary skills for wellbeing in your child.

So what does 'wellbeing' have to do with **ALL** primary school aged children? It refers to helping them develop good skills for managing:

Behaviour

Feelings

Relationships

Social skills

Resiliency

Happiness

A special note to all kindergarten to year two families:

In week 1 of term 1 you will receive a Strengths and Difficulties Questionnaire (SDQ). This will help determine your child's developmental level in regards to behaviour, emotions, hyperactivity, peer skills and prosocial skills. Please talk to your child's teacher or call or email us if you have any questions or would like some help completing the form.

Got It!

Talking about **kindness** with our children helps develop their understanding of how their actions impact on the world around them.

Keeping it on the list of things discussed daily at home can be really helpful.

Home activity:

Each night at the dinner table have everybody answer 3 questions:

1. What is something that made you **happy** today?
2. What is your **thank you** thing for today?
3. What is a **kind thing** you did today for a person, creature or place?

Book:

A book you might like to read with you children on the subject of kindness:

Have You Filled a Bucket Today? A Guide to Daily Happiness for Kids

Term 2, 2018

Road Safety & Your Child

It can take many years for young children to be able to make safe decisions about what to do near vehicles – near roads, driveways, on farms or in carparks—and children can get confused about change in traffic movement.

Children can move very fast, so it is important to always hold their hands around vehicles like cars, trucks, motorcycles or farming equipment.

Help keep your children safe by:

Supervising—keep an eye on your children.

Separating—separate play areas from vehicle traffic areas.

Seeing— walk around your car before starting it make sure that there are no children playing in the area.

For more information, please visit:

<http://www.kidsandtraffic.mq.edu.au/>

Small children can be hard to see from the driver's seat of a car.
When cars and other vehicles are about, children need an adult with them.

Talk to your children about all the things that you are doing to keep them safe.

Make sure your child always wears a helmet when riding a bike or wheeled Toy.

Please hold your child's hand to keep them safe near roads and in carparks until they are at least 8 years old.

Make sure that your child gets in and out of the car on the footpath side.

Always watch your child when they are riding a bike or wheeled toy.
