**Newsletter Term 1 Week 2 2019** Principal: Lisa Crawford

Welcome back to what I'm sure is going to be a very busy and rewarding year. A special welcome to all our new families in the school. We hope you enjoy being part of your child's learning journey as much as we do.

**This will be the only printed copy of the Newsletter sent out for 2019. Please read this carefully and return the All In One and Scripture permission note to your child's teacher**

**ASAP** You can find our fortnightly newsletter on our Facebook page and also on the school website. There is our yearly All in One permission note in this newsletter. Please fill in and sign the permissions page and return to the class teacher by the end of week 3. A staff directory is also included for you to keep as well as some really important information about Anaphylaxis. Anaphylaxis is life threatening and the information is a must read. CANTEEN menu also included.

**Meet the Teacher:** We will be having Meet the Teacher 3 way conferences in Week 6. You will soon receive information on how to book a time online. If you are unable to book online, we can help you in the office. Class information sheets will go out next week outlining routines.

**Swimming Carnival:** Next week we will be having our Swimming Carnival for all children turning 8 or above. Please make sure your child returns the permission and medical form and has their pool entry money of \$3.60 on the day.

**Parent Information Session:** We will be holding a School Separation Anxiety Parent session on Thursday 21 February from 6.30-8pm. All welcome. See flyer on page 9 of the newsletter.

**Approaching other Children:** Just a reminder to not approach other children in the playground. If you have an issue, please find a teacher on duty. They wear Hi Vis vests or check in with the class teacher.

**Weather:** We are constantly monitoring the weather at school and in extreme conditions we keep the students inside. When it is wet, we often close the back gate. This information is usually put on Facebook.

**Walking to and from school:** Please remind your child about stranger danger. We do regular reminders at school but it is very important the message is coming from home as well.

**Parking:** We have very limited parking around the school. Please be mindful of our local residents and no stopping zones. We have regular visits from parking rangers which can be very costly.

**School Times:** Please be mindful to make sure your child is in their class line by 9am in the morning. Any time after this is deemed late. Our school finishes at 2.55pm. If you happen to be running late, please contact the office. If your child is away, please notify the class teacher by note, Class Dojo or a phone call to the office with the reason. Regular absenteeism or unexplained absences may result in a call from the Home School Liaison Officer who is now based in our school.

**Semester 1 Events:** Currently we are finalising our Semester 1 Events, which is a one off payment covering a multitude of events, resources and activities across the first half of the year. They will be finalised in the coming weeks and a note will be sent home. The approximate cost will be \$60.

Continued over page

**Points of Contact:** If you have a concern or an issue, please go to the class teacher to solve the problem. They are with your child for most of the day. If the issue is unable to be resolved, you then go to the supervisor or Assistant Principal. If then the matter is unable to be cleared up, you then will come to me. Please remember, the quicker we know about an issue, the better the result. We are unable to help if we don't know there is a problem.

**Dogs in School:** Just a reminder dogs are not permitted in the school grounds at drop off or pick up times. Guide dogs and companion dogs are permitted. If you have a furry friend and would like to have it at school for news etc, please contact the class teacher.

**Sunglasses:** Last year we had a presentation at an information session about the importance of Sun Safety on our eyes. The P&C have purchased Sun Glasses for every child, which will have been distributed today or early next week. Each student will have their name on them and they will be attached to their bag. We are encouraging the students to wear these in the playground. If they break or are lost, they will be available for purchase through the canteen. We will be holding a fundraiser to cover costs later this term. **'When they are not on the face they are in the case.'**

**P&C 2019:** Thank you to the few who attended the P&C AGM on Wednesday. The committee for 2019 is :-

President: Skye Barry

Vice President: Felicity Burger

Secretary: Meagan Ang

Treasurer: Skye Humphreys

Fundraising: Dale Nichols, Eliza Williams and Sonya Sinnott

Please support the P&C by getting involved in fundraisers, volunteering in the canteen, clothing pool and on stall days. Without the P&C we wouldn't have a canteen.

All the staff are looking forward to a fun-filled year and working closely with you to maximise the learning potential of your child.

Lisa Crawford

**Class Dojo:** Your child's teacher will be sending Class Dojo invites.

The APP is free through the App store. You can see class information, photos and reminders from the class teacher:

**FACEBOOK:** Follow us on Facebook. Newsletters are posted each fortnight, a weekly overview is posted as well as general reminders. We also feature what is happening in classrooms. Facebook is used as a message board, not a form of messaging. Please do not send messages through Facebook.

**Our schools take sun safety seriously and implement a range of strategies to support school environments that protect students.**

**Working together for effective sun safety**

By reducing exposure to the sun and increasing the uptake of sun safe strategies, schools can make a significant contribution to community efforts to reduce skin cancer and related skin damage.

Schools support students and preschool children to understand why sun safety is important and to take action to protect themselves such as:

- wearing sun safe hats, clothing and sunglasses
- seeking shade during peak ultra violet radiation (UVR) times during the school day
- wearing SPF 30+ (or higher) broad-spectrum and water-resistant sunscreen.

Principal: Lisa Crawford

**Dear Parents and Carers,**

***For convenience and greater ease of collection and collation, we have included all of the necessary permission information required at the beginning of the year into one note. Please complete the following permission slips and return to your child's teacher as soon as possible.***

## **INTERNET PUBLISHING PERMISSION**

As the use of computers becomes more widespread so has the need to provide more access for parents and the community to daily happenings at Hobartville Public School.

Accessing the school website and Facebook page gives the Hobartville Community an alternate means of communication, a way of keeping parents informed of current programs operating at our school, as well as a means of visually sharing some of our special events.

In a broader sense it serves as a means of promoting our school for any prospective families intending to move into the area.

There are certain departmental guidelines we must adhere to for publishing on the internet.

These guidelines are listed below:

- \* Full names of students are not published
- \* Student first names are not directly linked to a photograph
- \* Parental permission is required for any student's photograph, which is published
- \* Parental permission is required for any student's work that is published

At times there will be group photos of students, individual photos and possibly some student's work on the website. At no time in the publication of these items will a student's name be directly linked to a personal photograph. There may also be parents in some of the photos taken at special occasions.

## **PERMISSION FOR THE RELEASE OF HOBARTVILLE PUBLIC SCHOOL STUDENT INFORMATION**

Throughout the year opportunities arise that promote Hobartville Public School, our students and Public Education. Given the likelihood of such opportunities arising, it is necessary for the parent / carer of students of Hobartville Public School to authorise any use of student names, photographs of students and/or their work, use of video and information relating to the reason for the student being involved in the promotion.

In all cases, no further information will be made available in accordance with your rights to privacy.

At all times, you will have the right to withdraw (in writing) such permission.

## **AGREED CODE OF BEHAVIOUR FOR USE OF TECHNOLOGY AND THE INTERNET**

Computer facilities at Hobartville Public School are for educational purposes. The goal in providing these facilities is to promote educational excellence in teaching and learning programs via increased use of technology. The school is firmly committed to the proper and responsible use of all forms of technology by its staff and students, and, to this end, requires acceptance of, and strict adherence to the terms and conditions of this user statement.

## **TERMS AND CONDITIONS**

Access to technological equipment at Hobartville Public School is a privilege to which certain responsibilities apply. This privilege is extended to all students annually, providing they work within the bounds of the rules defined by the school.

**Students wishing to use technology equipment and the internet must abide by the following rules:**

- I will treat equipment with care at all times.
- I will use appropriate language at all times when using computers, iPads, digital cameras and digital video cameras.
- I will use the resources available through the internet to sensibly research school assignments.
- I will respect laws pertaining to copyright.
- I will avoid websites that may have offensive or undesirable material.
- I will inform an adult if I find something that is inappropriate.
- I will inform an adult if I am aware that my peers are looking at or for, inappropriate sites.
- I will not use the internet for private or personal communication.
- I will not download any files from the internet without permission from a teacher.

- I will not install and run software, including games from home or that I have found on the fileserver.
- I will not delete, change or alter in any way, the appearance, sound or set up on any computers or other devices.
- I will not play games of any description on a computer without first seeking teacher permission.
- I will not interfere with any other student who is using a computer or other equipment.

If a student violates **any** term or condition of this Code of Behaviour or the computer room rules, a note will be sent home informing parents. This will result in a child being unable to use any form of technology for up to two weeks.

A student who does not return the signed consent forms will not be allowed access to equipment or use of the internet at school.

### **Premier's Reading Challenge 2019**

Students at Hobartville Public School are encouraged to participate in the Premier's Reading Challenge (PRC). Reading not only develops lifelong reading skills, but it also facilitates the development of skills in comprehending texts, sentence structure, spelling strategies, extending vocabulary, correcting punctuation, and broadening imagination. Reading should be embraced by everyone and supported in student learning. Details of the challenge are outlined below and are also available on the PRC website at <http://www.schools.nsw.edu.au/premiersreadingchallenge/index.htm>.

For each student completing the Premier's Reading Challenge the permission slip will need to be completed and returned to the class teacher. This is required for the students to be publicly recognised with their name appearing in an Honour Roll in the Sydney Morning Herald. This year ALL students from Kindergarten to Year 2 will be participating in the PRC. Rather than the students completing the challenge at home, their Class Teacher will complete the challenge with ALL of their students, and then enter the Reading Data online for all of their students.

Parents are encouraged to continue reading a variety of books with their child/ren at home with age appropriate and enjoyable texts to target interests, comprehension and a love of reading.

Students from Year 3 to Year 6 will continue entering their individual Reading Data online using their DoE Username and Password.

### **School Environment / Gardening Program**

Many Hobartville students will be actively involved in the school environmental program during 2019. This will involve students working in the garden and will include a variety of activities including tree planting, weeding, mulching, watering and composting. These activities will be supervised by teachers and parents.

Students will also gain an understanding of sustainability, composting and worm farming.

Students will be supplied with gardening gloves, however students are permitted to bring their own.

### **Tamplin Field**

Throughout the school year, students access Tamplin Field, adjacent to the back playground for sporting carnivals, Class/stage fitness, weekly sport lessons and team training.

Students walk through the side gate and enter the field just beyond the school boundary or walk through the back boundary gate directly onto Tamplin Field. This is dependent on the water way.

Students are always accompanied by a teacher.

### **Crunch and Sip**

Crunch and Sip is a program being implemented in 2019. It is a fruit break in the middle of the morning learning session. Students are encouraged to bring fresh fruits and vegetables to school as a snack and water. Further information about what is and isn't allowed will be coming home shortly. It is a Department of Health initiative.

## Please return to the classroom teacher

Parents/Carers in public schools have the right to have their children receive instruction in their preferred religious persuasion, where authorised teachers of that persuasion are available.

A special religious education (SRE) program is available at the school and is run by authorised volunteers of approved religious persuasions.

Hobartville Public School offers the following approved SRE programs:

**Catholic SRE**

**Protestant SRE** (includes all other Christian denominations)

Please nominate the SRE program you wish your child to attend, or indicate that you wish to withdraw your child from SRE, by completing and returning the tear off form below.

Students continue in the same arrangement each year, unless a parent/carer requests a change in writing.

Kind regards,

Lisa Crawford

I wish my child \_\_\_\_\_ of class \_\_\_\_\_

to attend the following special religious education program (please indicate)

Principal: Lisa Crawford

Dear Parents / Carers,

## **ASSISTANCE URGENTLY REQUIRED**

Many children and teachers suffer from allergies. These allergies are caused by a variety of things we eat, touch or breathe.

The symptoms of these allergies may be different for each person.

At Hobartville Public School, some of our students and teachers are allergic to peanuts and peanut based food, tree nuts and / or dairy foods, fish, oranges, strawberries and eggs. These people are:

- unable to eat / touch foods they are allergic to
- unable to come into skin contact with these foods
- unable to touch objects which have been touched by others eating peanuts, eggs, strawberries, oranges and dairy.

This is a **life threatening** (Anaphylactic) condition for these people. If they eat or come into contact with those foods listed above, they may experience an anaphylactic reaction which affects their breathing. There is no cure for Anaphylaxis. The only treatment is strict avoidance. 0.5% of a peanut is enough to trigger a reaction and traces can stay on surfaces for up to 2 months. As there are over 800 hands at school, the risk of contamination is extremely high.

In order to assist the health and safety of everyone at our school, we request your assistance where possible.

### **How can you help?**

- Please **do not supply sandwiches or snacks with peanut butter, nuts or nutella** and encourage your children to choose other foods.
- Remind your child **NOT** to share food with another child.
- Encourage children to wash their hands after eating. Teachers will be encouraging this during the school day.
- Discuss how allergies may be dangerous and can make people **very** sick.
- Encourage your child to call a teacher if they notice a person experiencing problems eg hives, is itching and scratching, or has trouble breathing.

### **How is the school helping these children?**

- Training for teachers, information sessions for students and communication for parents throughout the school via the Newsletter.
- No peanut based products will be for sale in the Canteen.
- Students throughout the whole school will be encouraged to make Hobartville a 'Nut Free' Zone by not bringing foods to school which contain nuts.
- Developing an Individual Health Care Plan for each student at risk.
- Students' photographs will be placed in the Administration area, office, canteen, Library, classrooms.
- Whole School Action Plan for Emergencies.

We ask that you please assist us where possible with the food your children bring to school.

Our school caters for children with a range of special needs. Catering for students with severe allergies is one that requires us to work as a team to support these children at our school.

Thank you very much in anticipation for your support and understanding.

## Children (and Parents)

### struggling with separation

Starting school for the first time or returning to school after a break can bring up some strong feelings in children and parents. It is not uncommon for children to experience big emotions and engage in behaviors that are very difficult cope with. It is important at this time to strike balance between providing them comfort whilst encouraging them to be brave and get to school each day. We have some strategies that may help!

# School Banking 2019. Improving the saving skills of young Australians.

## School Banking

Banking will commence Wednesday 13th February. Please bring bank books in on Wednesday only.

## School Opal Card

As part of our campaign against fare evasion, and our on-going commitment to provide the level of service needed to transport students to and from your school, Busways conducts regular checks of School Opal card.

**All students must be in possession of a valid Opal card or pay a fare.**

**Students in possession of an Opal card must also tap on/off with their card when boarding our buses.**

This is important, because the Opal data collected determines the level of service we are able to provide to your school. If students don't tap on and off, the services will appear underutilised and may be considered for cancellation based on low passenger numbers.

To apply for a School Opal card or to report a lost or stolen card, go online to [www.opal.com.au/en/about-opal/opal-for-school-students/](http://www.opal.com.au/en/about-opal/opal-for-school-students/)

Students who are ineligible for School Opal will need to purchase a Child/Youth Opal card or pay a fare to travel on our buses.

Thank you in advance for your assistance and support.
