

## SRC: Sugar-free Zooper Dooper Fundraiser

Due to popular demand, our Sugar-free Zooper Doopers are back for Term 1, 2024.

**When:** Every Monday at lunchtime.

**Where:** Outside of the hall.

**Cost:** \$1 each.

**Proceeds:** All proceeds from our Zooper Dooper fundraisers will go towards purchasing the creation of mural designs in our student bathrooms. This is to improve the aesthetics of these spaces for our students, a school improvement initiative SRC has been passionate about resolving over some years.

We appreciate everyone's continued support towards this fundraiser. This is a project that costs a significant amount of money; therefore, we require multiple fundraisers to achieve our goal.

Kind regards,

Eryn McMillan.  
(SRC Coordinator)
